

# Green Guide for visitors to Ryedale

Dear Visitor,

Welcome to Ryedale!

Please pay your part in helping to make Ryedale a greener and more sustainable place to live, work and take holidays. Below is some information that will help you.

## **Kerbside Recycling**

Ryedale District Council currently recycle the following at kerbside:

- Any plastic bottles from the kitchen, utility or bathroom  
Note: plastic bottles only – no yoghurt pots, plastic bags, polystyrene, cling film, food trays
- Drinks and food cans, biscuit tins and aerosols
- Glass bottles and jars
- Paper waste: newspapers, magazines, junk mail, catalogues, white papers, telephone directories, cardboard boxes, cardboard food packaging, greeting cards, kitchen and loo roll tubes, envelopes with plastic windows removed, paper and card

Please familiarise yourself with the arrangements your holiday accommodation has for recycling. Clean containers and packaging only, please. Remove all food waste.

## **Other Local Recycling**

Soft plastics: all types are collected at the following supermarkets:

- Co-op in Pickering, Kirkbymoorside and Helmsley
- Morrisons in Malton

Tetra Paks (e.g. milk and juice cartons) are collected at Wentworth Street Car Park, Malton and Eastgate Car Park, Pickering.

There's a mini recycling centre in Kirbymisperton that collects crisp packets, cat food pouches, confectionary wrappers, all dental products, cosmetic products and print cartridges.

The household recycling centres in Thornton Dale, Wombledon and Malton have all the usual disposal facilities, but also recycle mixed textiles and clothes, books and foil. For more details check the NYCC website.

The Recycling Locator, displayed on the Recycle Now website also advises what materials can be recycled and where in your local area

## **Zero Waste Food and Household Cleaning Products**

Take your own containers to the following shops for refilling:

- Malton: The Beecham Weigh and Scoops
- Pickering: The Old Weigh
- Kirkbymoorside: Moorside Stores,
- Health Matters, Helmsley

## **Organic Produce**

- Newfields Organics, Fadmoor - seasonal veg available
- The Organic Farm Shop, Pickering – organic and health food products

The zero waste shops above also have a range of organic produce.

## **Electric Vehicle Charging**

There are a growing number of electric vehicle charging points in Ryedale. For the very latest information check the Ryedale District Council website.

## **Public Transport**

For the very latest info on places to visit around Ryedale using public transport [www.ryedale.gov.uk](http://www.ryedale.gov.uk) and search for “sit back and enjoy the ride”.

For buses to and around the North York Moors, check out the Moorbus website.

For further information about events and initiatives check our website or social media:
